## 2017 District Delegates

### District 1

(Filings 12, 16, 20, 21, 35, Aurora 2)- North Eastbridge, Bluff Lake & Aurora Neighborhoods

**Tim Hampton**- Growing up in Colorado and having Grandparents that lived in Park Hill I fondly remember driving past Stapleton as a child. Fast forward 25 years and I would never have imagined that I would be living back in Denver and living in Stapleton. My wife, Kerry and I are so proud to find ourselves raising our two boys here in Stapleton and love owning a home in Bluff Lake. In the past few years we have grown close to our neighbors and love to discuss the interworking of Stapleton and the community. I love serving our community as District 1's Community Delegate.

### District 2

(Filings 2, 4)- Original Stapleton, East 29<sup>th</sup> Ave Neighborhood

**Josh Nicholas** - As a first time homeowner, I couldn't be more excited to live in the Stapleton area. I moved to District 2 in 2015 and soon realized what a special place we live, work, and play in. I especially enjoy the outdoor spaces that our neighborhoods have to offer.

Professionally, I work in telecommunications and hold a Masters in Adult Education as well as Management. Previously, I was Director of Development for the largest Habitat for Humanity affiliate in Wyoming. Outside of work, I enjoy volunteering for Dumb Friends League and support organizations such as Mile High United Way, The Center, and the Denver Rescue Mission. My partner and I also enjoy spending time in the mountains as well as taking advantage of the arts and culture that our wonderful city has to offer.

Having supported and organized community development projects in the past, I am eager to bring my experience and energy to the MCA. I understand the commitment that is required of a delegate and I look forward to serving my neighbors and community.

**Andrew Bartlett-** Masters in Computer Information Systems, Bachelors in Bachelors in Psychology. “I believe it is the responsibility of the citizens of a community to serve that community. I also strongly believe that the members of the MCA should represent the opinions of its constituents and reflect their priorities. I feel I can very effectively serve our community and my district as a representative of its interests, even if these interests don’t match my own. I

simply want to help make our neighborhood the best it can be and continue to be a great place to live.”

### District 6

(Filings 18, 19, 32)- Central Park North & West Neighborhoods

**Thomas Atwood-** We're headed into our 9<sup>th</sup> year here living in District 6, Filling 18. I've worked for over 20 years in the technology sector and have been active in several non-profits. My wife, Kristen, is the DPS Principal for Denver Discovery School. Previously, she was the Director of Achievement for McAuliffe. We have two children attending Westerly Creek Elementary School.

We love life in Stapleton—the parks, pools and schools—I have a vested and strong interest in the continued vitality and future growth of the neighborhood, especially with regards to Arts and Development (Capital Improvements). I'm currently excited about the new schools, Stanley Marketplace, Eastbridge, Punch Bowl Social, Westerly Creek North Development, the RTD Fast Tracks East Corridor line / new station at Smith Road and all the Transit Oriented Development that it affords. Like others, I believe that an Arts/Cultural center could be an integral part of Stapleton’s future—this is an exciting time to be living in Stapleton!

## District 9

(Filing 45 & 47) Willow Park Neighborhoods

**Michael Villegus**-Bachelors – Accounting (O.U.), Masters – Taxation (O.U.), Licensed CPA

“I actually met Michael and his wife served months before we closed on our houses. During that very first meeting, Michael made it very clear he wanted to be very involved in the HOA and he hoped we would be as well. Since that first meeting and now that I’ve known Michael for about 5 or 6 months I can confirm that his desire to serve our community is as strong, if not stronger, than it was on day #1. Michael is extremely intelligent, passionate about courtyard, our neighborhood and our community. His desire to serve remains evident. He is a man of ethics, strong values, acceptance of all, and I would be honored to have him represent our district to the leaders within Stapleton MCA.”
